**Angela's House** was founded by the Policastro family 23 years ago following the tragic crisis they lived through with their daughter Angela. Today, Angela's House stands as a 501(c)3 not-for-profit organization dedicated to assisting families caring for children with special healthcare needs. With a parent based origin and approach, Angela's House assists families caring for children who are medically fragile, chronically ill, or are suffering from a life-threatening illness. We assist families with home care and we also have homes where the children can live.

**Home Care:** We help to coordinate the complex array of home care services needed to support children living at home with their parents. This may include services such as: medical equipment; nursing support; therapies; medications; and working to make the home handicapped accessible. Angela's House is currently providing assistance to 600 children throughout the community, and donations and grants are used to purchase their medical supplies and equipment that are not covered by other means.

**Angela's House** provides special homes that care for medically fragile children who can no longer live at home. The children who live here are cared for in a warm, loving, home environment that is suited to accommodate their complex physical and medical needs. With 24-hour nursing care, Angela's House is currently operating a home in East Moriches, and another in Smithtown. These homes are the first of their kind in New York State. Our newest home is in Stony Brook and it has the ability to care for children that require ventilator support to assist them with breathing.

The Holiday Inn Westbury is pleased to announce that they will be hosting a special fundraising event for Long Island based, Association for Technology Dependent Children Inc. (Angela's House). Angela's House is a 501 (c)3 organization, that provides services and support to children and families on Long Island that are in need of special home care to support medically fragile children living at home. In addition, Angela's House has three – (3) special houses (Angela's House) on Long Island for children that can no longer live in their own homes due to the complexity of their physical and medical needs. Currently, Angela's House is providing assistance to over 600 children throughout the community.

The Holiday Inn Westbury will be hosting an exclusive Hawaiian Luau event on Wednesday, September 16, 2015 from 6:00 pm – 10:00 pm, with a rain date of Thursday, September 17, 2015. The event will be held in the Hotel's outdoor garden courtyard and pool area. That evening, the area will be transformed into a tropical oasis. The Hotel will be offering guests a wide array of food, beverages, entertainment and a lot more. The goal is to raise a minimum of \$10,000.00 between now and the day of the event, with all proceeds going to Angela's House.

***With that said, we need your assistance.*** The Hotel will be donating all of its services, which has already started, but without attendees, sponsors, raffle prizes and supporters such as yourself, we will not be able to reach our goal. We kindly ask you to strongly consider offering us your support, so that we may all make a difference in the lives of the children that receive services from Angela's House.

Attached, you will find additional information on how you may get involved, which ranges from committing to attend, becoming a sponsor, donating raffle prizes, etc. Again, we cannot do this without you; therefore, it is our hopes that you will support our endeavor and our mission to assist children right here on Long Island that benefit from Angela's House.
